LET'S PLAY TOGETHER

REGISTER FOR PROGRAMS @ SUPERIORREC.COM
The Town of Superior Parks, Recreation and Open Space Department is gearing up for another busy summer! Participation from the community in recreational opportunities continues to grow and many of the Town’s programs and activities are experiencing record attendance. Town staff has added many fun and new programs in 2019. Residents can learn how to skateboard at the new Autrey Park Skate Park, build and design with Legos during the Play-Well TEKnologies Lego Camp for kids, explore nature in Superior and even try pickleball at Wildflower Park.

The Department also has several park and trail projects to look forward to in 2019 including: a new art installation at the McCaslin/Main Street roundabout, community engagement for a potential playground at Riverbend Park, cemetery improvements, irrigation clock system upgrades, a new trailhead at the Shan-Shan Chu parcel and completion of the Coal Creek enhancements.

The Town will host the annual Arbor Day Festival, July 4th Celebration with parade & pancake breakfast, Chili Fest, National Weekend of Service Community Volunteer Project and the Volunteer Appreciation Dinner. This year’s events and projects aren’t possible without the fantastic support from community volunteers and each year these opportunities range widely, from bike park and trail maintenance to pancake flippers and clean-up crews!

Visit superiorrec.com for the latest programs and activities, park and trail project updates and volunteer opportunities. We are looking forward to serving you in 2019!

Walk with Ease (All Ages)
Research has shown that walking can reduce the pain and discomfort of arthritis and most other chronic conditions and help people improve their fitness levels. Walk with Ease was developed by the Arthritis Foundation and is offered in partnership with the Boulder County Area Agency on Aging. In addition to walking and stretching this six-week program includes brief health education lessons. To register or for more information, please call Lydia Yecke at 303-499-3675.

Studies show that Walk with Ease is proven to:
- Reduce the pain and discomfort of arthritis
- Increase balance, strength and walking pace
- Build confidence in your ability to be physically active
- Improve overall health

Thanks to our capable & enthusiastic guide, we spotted dozens of species and learned about their characteristics and habits. It was so much fun - Outdoor Education Program Participant.

Historical Walk
A Walk Through Historic Original Superior
Experience Superior as it was 100 years ago! Join the Historical Commission on Saturday, May 4 for the annual Historic Walk through Superior and enjoy a different perspective on the Town and its unique past. We will stop at important historical sites including Grasso Park and the railroad depot location. The highlight of the walk is the Industrial Mine and Mine Camp site. Stand on the site of the original mine shaft where miners used to descend 285 feet below to mine coal!

This is a FREE event and all ages are welcome. Wear durable shoes and no pets please. Cookies for all hikers who complete the roughly 1.5 hour walk! RSVP by emailing bryan@superiorcolorado.gov with the total number of attendees in your group.

**Town of Superior Pools**

The Town of Superior has two outdoor pools, North Pool and South Pool. The North Pool facility is located at 1650 South Indiana Street and features a heated leisure pool and heated children’s wading pool. The South Pool facility is located at 3300 Huron Peak Avenue and features a heated leisure pool with a slide and mushroom fountain and a heated children’s wading pool. Both facilities offer a designated lane for lap swimming. The North Pool lap lane is 25 meters long and the South Pool lap lane is 25 yards long.

**North and South Pool will open to the public on Friday, May 24, 2019.**

**Pool Entry Policy**

Each year we will be requiring that all Superior residents who wish to use the Town’s outdoor pools to please provide us with proof of current residency in the form of a “water bill postmarked within 60 days or a current lease document. This can easily be done online by visiting superiorrec.com, Clicking on the Activity Registration button, and logging into your account. From there simply click on Document Upload under the My Account tab and upload your document. Only one document/utility bill required per household. We will also accept proof of residency documents at Superior Town Hall and at both pools once they open. Once we receive your document we will take it from there. We will verify residency and then activate all current Resident ID cards under your household. There is nothing more for you to do - just head to the pool this summer with your ID card! Help us out and upload your document now before the pools open for the summer! *If your water is paid through HOA, a cable or phone bill will suffice.

Who needs a Resident ID card? All residents 9 years of age or older that live within the Town of Superior need to possess a resident photo ID card to use both the North and South Pools. To receive an ID card, proof of residency in the form of a current water bill that is postmarked within 60 days or a current lease document is required along with a current photo ID. Resident ID’s are issued at Superior Town Hall year round and the North and South Pool during the pool season. The cost for an Identification Card is $5.00. Replacement ID’s are also $5.00. Pool patrons without a valid Resident ID card will be charged guest fees. If you have an older ID with a barcode, you will not need a new card.

Residents under 9 years of age do not need an ID when accompanied by an adult (18 years or older) who possesses a Resident ID card, or a youth 13-17 years old who possesses a current “American Red Cross Babysitting Basics Certificate, YMCA Babysitter’s Certificate, or HeartSmart, Inc. Kidwatch certificate, along with their Resident ID card. A copy of the babysitter’s certificate will need to be provided to the front desk staff before gaining entry to either North or South Pool.

A nanny residing in a resident’s household for the summer can be issued a Seasonal ID card for $5, which can be used through Labor Day of the current year. A nanny under 18 years of age will still need to possess a babysitting certificate, if bringing children under 9 years of age to the pool.

The American Red Cross offers an online Babysitting Basics course that costs $40 and takes about 4 hours complete. A score of 80% or higher on the final exam is required to receive a printable Diploma. For more information visit redcross.org.

Please understand that these policies have been established to help ensure the safety and enjoyment of all who visit the Town of Superior pools.

**Guest Policy at the Pools**

All guests are required to sign in at the front desk and MUST be accompanied at all times by a resident (ages 9 and older) with a Resident ID, while at the pools. Age specific policies outlined in Pool Entry Information still apply. Fees for guests are:

- Age 0-5 - Free
- Age 6 and up - $2.00

**Pool Party Rental Information**

Parties consisting of 10 or more non-family members gathering in an organized group during the normal operating hours of the pools are responsible for making a pool party reservation. This reservation is critical due to the limited lifeguard to patron ratio that is in place at each pool.

Fees are charged to reserve the facility for the event and do not cover the entry fees of any non-resident of the Town. These fees cover the cost of an additional lifeguard(s) to be present during the party, and reserves two (or more) pool side tables for the group. Non-residents of the group shall be charged the applicable guest fees separate from any reservation fees. Daytime pool party reservations for North or South Pool are available only to residents of the Town of Superior, non-residents may not reserve the facility or enter the facility without the accompaniment of a Town of Superior resident.

Please Note: Pool reservations during normal operating hours are non-exclusive. You will be expected to share the pool area with the public.

Please contact Superior Town Hall at 303-499-3675 for pricing and availability. All reservations must be made by completing a Park, Shelter & Pool Permit application and turning your application in at Town Hall at least two weeks in advance of your party.

*Fees and policies differ for evening pool party rentals. North Pool may be rented for evening pool parties by resident groups Sunday through Saturday evenings 8:00-10:00 pm. Parties must be out of the pool facility by 10:00 p.m. For more information on pricing and availability for evening pool rentals please email Bryan Meyer at bryanm@superiorcolorado.gov and include specific details on your requested party (date, time, # of people, purpose of function).

**Guest Punch Card**

Town of Superior Residents have the option to purchase a 20 visit guest punch card. This card can be used for any age guest (6 and older). The cost is just $35.00, will never expire. You can purchase the 20 visit punch card at Town Hall or at the pools. All guests are required to sign in at the front desk and MUST be accompanied by a resident age 9 and older.

**Have a Party!**

Rock Creek Flyers Swim Team

The Town of Superior partners with the Rock Creek Flyers Swim Team, Superior’s competitive summer swim team for youth ages 4 - 18. The goal of the Rock Creek Flyers is to offer age specific training for all of our athletes, geared towards challenging and developing each individual to the best of THEIR abilities. The Flyers practice mornings and evenings at North Pool, which is also the site of their “Home” swim meets during the season.

More information on the Flyers can be found at rockcreekflyers.com.

The purpose of the Town of Superior Group Swim Lesson Program is to develop swimming competency, confidence and endurance in a safe and fun environment.

**How Do I Enroll My Child?**
- The summer Group Swim Lesson Schedule can be found online at www.superiorrec.com. If necessary please reference the “Which group swim lesson class is right for your child?” chart to assist in choosing the most appropriate class during registration. Please note that participants will be screened on the first day of class and possibly moved to a more appropriate level if required.
- The on-line registration option at www.superiorrec.com provides the easiest way to register and the most accurate information on when classes are full, added or canceled.
- Registration is also available in person at Superior Town Hall, 124 E. Coal Creek Drive.
- Registration is on a first-come, first-filled basis. Don’t wait. Classes fill quickly and attending regularly without interruption is crucial for success.

**How Can I Help My Child Succeed in Swim Lessons?**
- The first day of class, student’s skill levels will be tested to make sure they are in the appropriate class. If it is determined after the session begins that your child needs to be placed into a different skill level for the session, please discuss with the on-site Swim Lesson Coordinator. If there is room in another class we will make the transfer and the class roster will be updated. If we are unable to place your child into a different class for the session, you will need to go to Town Hall to register for a future session, or request a class refund or household credit.
- Each child progresses differently. Many swimmers need to enroll in the same level class for a minimum of two to three sessions. If your child is enrolled in a current ongoing session, and you want to register for a future session, it is highly recommended that you speak to your child’s instructor before registering. Your child’s Instructor will know best what level to recommend. Doing this will also help prevent confusion or uncertainty down the road when it’s determined your child is not in the appropriate class.
- Don’t wait if you have questions, or concerns regarding your child’s lessons. The easiest solutions happen when issues are addressed immediately. Talk with your child’s instructor or the Swim Lesson Coordinator – ecii2ge@gmail.com
- Have your children practice. The more practice outside of the lesson times, the faster the skills become second nature.

**Registration Helpful Hints:**
- Be sure to verify at registration that your phone number and email address are accurate. Correct contact information is critical for proper notification due to cancellations, changes or wait list enrollment opportunities.
- Registration closes at 5pm the Wednesday before the session start date.
- If the desired class is full, add your child’s name to the wait list. There may be cancellations before the start of the session due to low enrollment or a new class may be created and offered for existing wait lists. Class sizes are a minimum of 3 children and a maximum of 5. Classes with only 2 children registered may be subjected to cancellation and with parental/guardian permission, child will be transferred to a different class time in the same session. Parent/guardian can also request a class refund or household credit.

**Group Swim Lesson Overview**

**Which group swim lesson class is right for your child?**
This chart outlines the critical prerequisite skills that determine class placement. Follow the chart to identify the class that best suits your child’s enrollment level.

**Important Notes**
- Parent/Tot requires adult participation in the pool.
- Repetition of skills and levels is an important part of the learning process.
- Parents are encouraged to estimate their child’s ability level as accurately as possible to ensure a positive experience for all swimmers.
- *If on the first day of class it is determined that your child is best suited for a different class level, we will do our best to accommodate your child and make the transfer.*

Levels 5/6 and 7/8 are combined levels. Please refer to the class description to assess if your child is ready for either of these levels. Note: some children may want to participate in BOTH 5/6 or 7/8 and Flyers pre-team. Coach evaluation recommended. Level 7/8 is for swimmers who intend to join a swim team, as breaststroke/butterfly are emphasized in this level.

**Registration Helpful Hints:**
- Be sure to verify at registration that your phone number and email address are accurate. Correct contact information is critical for proper notification due to cancellations, changes or wait list enrollment opportunities.
- Registration closes at 5pm the Wednesday before the session start date.
- If the desired class is full, add your child’s name to the wait list. There may be cancellations before the start of the session due to low enrollment or a new class may be created and offered for existing wait lists. Class sizes are a minimum of 3 children and a maximum of 5. Classes with only 2 children registered may be subjected to cancellation and with parental/guardian permission, child will be transferred to a different class time in the same session. Parent/guardian can also request a class refund or household credit.

**What If...**
- **My Child Is Sick?** Please be considerate of other participants. Do not bring your child to lessons if they do not feel well. There are no credits or make-up lessons for missed classes.
- **Inclement Weather?** For any changes in schedules due to weather, call 303-381-2024. The phone greeting will be updated if changes occur. Make-up lessons will be held on Fridays if weather permits.

**Other Options?**
- Private Swim Lessons are available for all ages. To learn more visit www.superiorrec.com or stop in at Superior Town Hall to register.

Group Swim Lesson Descriptions

The Town of Superior's Group Swim Lesson program in partnership with the Rock Creek Flyers Swim Team utilizes nationally certified learn to swim curriculum through the SwimAmerica program. All lessons are taught by certified swim coaches who have achieved a minimum of ASCA (American Swimming Coaches Association) Level II Coaching Certification. Our lessons are designed to teach all of the swim skills your child needs to be safe in and around the water for a lifetime.

Parent/Tot (30 minute Class)
This class is designed to teach infants or toddlers and their care-givers basic water adjustment skills. This does not teach children to be accomplished swimmers or survive in the water. One parent per child. Swim diapers are required.

Level I – Bubbles (30 minute Class)
This level is for nervous or beginner students. It includes introduction to the basic skills necessary for swimming. We work on gradual water adaptation, movement in the water, breath holding and release, submersions of the face, opening eyes underwater, blowing bubbles, bobbing with bubbles, and air exchange. Swimmers will gain confidence and master submerging their face in the water. Swimmers advance when they can do 10 relaxed bobs with air exchange.

Skills to be learned:
1. Gradual adaptation to water
2. Movement in the water
3. Breath holding and release
4. Submergence of face
5. Opening eyes underwater with goggles on
6. Blowing bubbles through the nose
7. Wall bobs with bubbles and air exchange

Level 2 – Floats and Glides (30 minute Class)
This level is for swimmers who are comfortable holding their breath under the water and doing 10 relaxed bobs with air exchange. Swimmers will be taught front float and recover, front glide and recover, back float and recover, and back glide and recover. Additionally, students will learn how to safely enter the water. Swimmers advance when they can front and back glide for 5 seconds and recover.

Skills to be learned:
1. Front float and recover
2. Front glide and recover
3. Back float and recover
4. Black glide and recover
5. Streamline bobs

Level 3 – Kicking (30 minute Class)
This level is for swimmers that know how to comfortably hold their breath and float on their stomach and back independently. Swimmers will be taught kicking skills with front and back glides. Swimmers advance when they can kick 15 feet on their front and 15 feet on their back in streamline position.

Skills to be learned:
1. Front kick, glide and recover
2. Back kick, glide and recover
3. Dolphin kick, glide and recover
4. Rollover kicking front to back / back to front
5. Working with the kickboard

Level 4 – Crawl Stroke (30 minute Class)
This level is appropriate for swimmers who have mastered breath control, body position, and kicking on their front and back on top of the water. Swimmers will be taught to roll over front to back and back to front, breathing position for freestyle (side-glide), and the crawl arm stroke with catch up. Swimmers will master short front crawl swim and advance by performing side-glide kick for 20 feet and crawl stroke for 20 feet.

Skills to be learned:
1. Sculling
2. Side – glide – kick
3. Crawl stroke arms
4. Backwards bobs
5. Somersaults

Level 5/6 – Freestyle & Backstroke (30 minute Class)
This class is for swimmers who can swim on top of the water, but who stop when they need to take a breath. Swimmers will be taught back crawl stroke and will master front crawl stroke with bilateral side breathing. Swimmers will also learn how to tread water, dive from the sitting, kneeling, and standing positions, and work on their endurance in freestyle. Swimmers will advance by swimming crawl stroke with a minimum of 4 side breaths and swim backstroke with correct body position, strong kicks, and quick arm rotation.

Skills to be learned (Freestyle and Backstroke):
1. Crawl stroke with breathing to side
2. Horizontal head first sculling
3. Extended freestyle swimming goal is 1 length of the pool uninterrupted
4. Tread water
5. Jump in and tread water
6. Sitting dive
7. Kneeling dive
8. Standing dive
9. Breathing
10. Intermittent breath control

Level 7/8 – Butterfly, Breaststroke & Turns (30 minute Class)
This level is for swimmers who have successfully mastered freestyle and backstroke. In this class, swimmers will learn how to do dolphin kick and the timing of the butterfly stroke. The butterfly stroke should have 2 visible kicks with one arm pull. Breathing should occur every other stroke. Swimmers will also learn the breaststroke kick, head-out-around, and correct timing (pull-breathe-kick-glide) for breaststroke. After mastering all 4 strokes, swimmers will learn how to perform a flip in the water, how to touch with both hands on breaststroke and butterfly, and how to correctly perform a freestyle flip turn. In this level, swimmers will also learn how to turn for the Individual Medley.

Skills to be learned (Butterfly & Breaststroke):
1. Breaststroke kick
2. Breaststroke swim
3. Butterfly arms
4. Butterfly Swim

Level 9/10 – Jr. Lifeguard (30 minute Class)
This class is for swimmers looking to advance in their swimming ability and learn the skills that real lifeguards use every day. Completion of Level 5/6 or comparable stroke ability is required. Participants must be 10-14 years of age. This class will teach participants how to perform lifesaving rescues, treat first aid situations, and identify distressed swimmers. Participants will also increase stroke technique and endurance so they can swim with more ease, efficiency and power. Participants will also be required to complete 5 service hours at the pool upon completion of the class session.

Skills to be learned (In turns):
1. Turns

Swimmers that have successfully completed Level 5/6 may be eligible for school or Flyers pre-team. If swimmer is interested, please contact Flyers Head Coach Jen Koschmann for an evaluation at jenkoschmann@yahoo.com

Youth / Adult Private & Semi-Private Swim Lessons
Take a swim lesson with one of our experienced swim instructors! A 30 minute swim session will have you on your way toward advancing in technique and skill ability. Private lessons are one-on-one with an instructor whereas semi-private lessons are two swimmers at the same skill level matched up with an instructor.

Register for private and semi-private swim lessons by completing a Private Swim Lesson Registration Form and turning your form in at Superior Town Hall, 124 E. Coal Creek Dr. Once registered, you will be contacted within 3-4 days by a Swim Instructor to set up days and times for classes. Youth ages 3-17 and adults ages 18+

On the Stand - A Lifeguard’s Perspective

Have you ever seen a lifeguard go in the pool, keep the pool open, and still have a great time? You might wonder what it’s like to be on the job, keeping everyone safe. By using these simple tips, you can assist the lifeguards in keeping the pool open for everyone.

• Know your child’s limitations.
• Have them take breaks.
• Know where your child is in the water at all times.

Floors Masters Swim Program

This program is for adult swimmers of all swimming abilities. A structured workout will be provided for participants who are seeking to stay in shape, improve their stroke technique, build endurance, train for competition, and have a group of other adults to swim with.

Practices will be held from 5:30 pm - 6:30 pm Tuesday, Thursday, Friday at the North Pool and from 12 pm – 1 pm on Mondays and Wednesdays at the North Pool.

Flyers Masters will be run by Jen Koschmann, former Division I Collegiate swimmer and head coach for the Rock Creek Flyers Swim Team, and a team of qualified coaches.

Registrations accepted at Town Hall, 124 E. Coal Creek Dr. or online at superiorrec.com.
